ESTEEMED GUESTS

We are absolutely delighted to invite you to a private cocktail reception, opening of the NFT exhibition and Gala dinner event in the historic space of former Abbey St Urban.

All of you dear guests, presenters and artists are the shapers and stakeholders of the art market of the future that is gaining new shape as we speak. The lockdowns of 2020/2021 have kick-started an unprecedented wave of innovation and re-thinking in the art-space that we have not seen since the Renaissance. The cards are reshuffled for creators of art, collectors, galleries and other stakeholders in the art-market.

You, our guests, are part of the new system that is taking shape and we are excited to have the privilege to put all these creative and innovative minds together and foster a space for conversations that will propel the art space forward.

We look forward to welcoming you in St. Urban
